FRIENDLY SAFETY REMINDER

Dear Residents:

Please remember to keep your vehicles locked and do not allow anyone you don't recognize into the buildings. If you see unfamiliar individuals in the parking lot, especially when you are by yourself, it's best to keep a safe distance. Although we have security cameras on the property, we do **not** have a security company monitoring the Village. If you ever feel that you – or anyone else-may be in danger, calling **911** is the best and fastest course of action. Thank you for helping to keep our Village safe.

PARKING REMINDER

Please make sure your visitors know where the designated visitor parking areas are located. These spots are for **visitors only**. All residents should use their assigned parking spaces, which are assigned through Leasing Administration.
